

♥ SKINCARE ROUTINE FOR THE MINIMALIST

1 CLEANSER : Simply Cleanser

all skin types- gentle acid free enzymatic gel cleanser (cleanse AM/PM)

2 SERUM : CE Ferulic

all skin types- potent antioxidant, neutralizes free radical damage caused by daily exposure to UV rays, pollution, and infrared-A radiation. Helps with the appearance of fine lines and wrinkles, and improves skin firmness.

One application stays in the skin for up to 72 hrs. (4-6 drops AM only after cleansing)

3 MOISTURIZER : Triple Lipid Restore 2:4:2

all skin types- a corrective moisturizer with a cholesterol-dominant ratio that addresses age-related lipid loss and replenishes and reinforces the skin barrier as it ages. Improves skin smoothness, pore size, fullness and overall radiance. (Half an almond size amount AM/PM after serums)

4 SPF : Physical Fusion UV Defense SPF 50

all skin types- ultra sheer tinted fluid, broad spectrum UVA/UVB protection with 100% mineral filters, adaptable color spheres to add a bit of coverage to the skin, helps boost the skin's natural defense against UV rays and heat induced stress (dime size amount after moisturizer)
