

♥ SKINCARE ROUTINE FOR THE MAXIMALIST

PM ROUTINE

1 DOUBLE CLEANSE: Simply Cleanser
all skin types- gentle acid free enzymatic gel cleanser

2 SERUM: P-TIOX
peptide-powered serum inspired by the effects of anti-wrinkle neurotoxin injections. This is a physician-tested to complement neurotoxin injections as well as being effective on its own to achieve needle-free wrinkle correction without the aid of professional injectables. (4-6 drops AM)

3 SERUM: Hyaluronic Acid Intensifier Multi-Glycan Serum
a next-generation corrective serum proven to amplify the skin's own hyaluronic acid levels by 30%. Instantly, skin is plumped and rehydrated for up to 24 hours. Over time, elasticity and firmness are renewed, plus facial contours are more defined. (4-6 drops AM/PM)

PM ROUTINE

4 EYE CREAM: AGE Advanced Eye Cream

advanced next-generation eye cream for wrinkles that fights the appearance of dark circles, crow's feet lines, and puffiness, impacted by advanced glycation end-products (A.G.E.s), a major factor of the natural aging process. (rice size amount AM/PM, press gently under eye area)

5 MOISTURIZER: Triple Lipid Restore 2:4:2

all skin types- a corrective moisturizer with a cholesterol-dominant ratio that addresses age-related lipid loss and replenishes and reinforces the skin barrier as it ages. Improves skin smoothness, pore size, fullness and overall radiance. (Half an almond size amount AM/PM after serums)

6 SPF: Physical Fusion UV Defense SPF 50

all skin types- ultra sheer tinted fluid, broad spectrum UVA/UVB protection with 100% mineral filters, adaptable color spheres to add a bit of coverage to the skin, helps boost the skin's natural defense against UV rays and heat induced stress (dime size amount after moisturizer)
